

DIRECT CREMATION UNATTENDED FUNERAL OPTION

Direct Cremation:

Unattended funeral, there is no service that mourners can attend. We collect the deceased from where the death occurred. All the legal paperwork is still required, you can know a date that the cremation will take place, but you are not given a time for the cremation. We only use local Dorset crematoriums so your loved one will not be driven around the country.

We supply an eco-friendly coffin either cardboard or plain chipboard.

Bringing the deceased in to our care either from a home address, care home or hospital, where the death occurred. Looking after the deceased in an environmentally controlled area.

We wash and prepare the deceased ready for dressing in clothes of your choice or a gown that we will provide. We will allow chapel visits unlike most funeral services, but these must be in office hours by appointment. £610
